# *Hire a Happier Holiday with Just Bring Baby!*

No matter how organised & efficient you are, travelling with children can be challenging. They just seem to need so much stuff! Car seats for the taxi ride to the airport, lightweight buggies for around the airport, toys & books to keep them entertained on the plane or during a long car journey - and that's before you've even reached your destination!

Luckily for you, if you're travelling to or from the Kapiti Coast region, we can help you out.

We hire a large range of equipment & toys for your baby & child. From buggies that fit in the overhead locker, to safety gates that make your holiday bach safe, to small bikes & all terrain buggies that allow you to enjoy yourself whilst here.

You need it, we have it. All you have to do is Just Bring Baby and we'll take care of the rest.

*Planning a holiday? We would love to hear from you...*

*Hire a happier  
holiday*

## Around Town Buggies

### Phil & Ted's Dot In-line Single

- Ultra-compact stroller
- 10" air filled tyres to glide to your destination safely and to smooth out bumps in the road
- It's perfect for all terrain & all adventures
- Pop up & over kerbs like they're not even there
- Safe engineering means less force is required to manoeuvre over all terrains, for both in & beyond the city.
- Lock the front wheel straight for rough terrain, or switch to swivel for ultimate manoeuvrability.
- Can be configured in various ways, with clips to attach a capsule and a bassinet (which is available to hire with this buggy, complete with rain cover).

Also available are the double rain & sun covers.

### Mountain Buggy Swift

Elegant in size, big on adventure, the Swift navigates the city with ease, yet can tackle off road adventures with its 10" air-filled tyres. Its compact stand fold makes swift the ultimate buggy for parents who want to get out of the city without taking up too much boot space.

#### Features:

- Outstanding kerb pop
- Short foot-print at 101.5cm
- Full recline to upright seat
- Long seat back
- Multi adjust handle
- 5-point harness
- follow the sun canopy with flick out mesh sun visor tested to ensure a UPF 50+ rating
- bottle holder
- Sun & rain covers.

Age range: NB to 20kgs / 44lbs

### 4 Wheeled Umbrella Buggy

- 4 Wheels
- Compact Design
- Fast fold down
- Storage basket

Age range: Infant newborn ready to toddler mode,

Max load - 20kg/44lbs

## Mountain Buggy Nano

The Nano is the ultimate travel stroller that promises a light and convenient solution for travelling with your child.

- Lightweight at less than 6kg
- Compact measuring just 54 x 31 x 51cm when folded,
- Built-in rear wheel suspension to keep your baby comfortable on their travel adventure,
- 5 1/2" EVA wheels for a smooth ride.
- The front wheels feature swivel and lock capabilities for awesome handling
- With the press of 2 buttons, the Nano simply drops in 2 stages, leaving it the size of a compact travel satchel.
- When you arrive at your destination, flick the Nano open with just one hand to unfold and continue your journey.

The nano is equipped with an on-board car seat adaptor to accommodate most leading car seat brands. Travel easy with your newborn baby in their car seat and the Nano.

Packed weight: 5.9kgs  
Packed dimensions: 54 x 31 x 51cm  
Age range: NB to 20kgs / 44lbs  
Handlebar height: 98cm / 38.5"

## Phil & Teds Go

Featuring:

- Slimline, with a full size seat
- Comfortable full size sling seat with multiple recline options for naps
- Enables effortless manoeuvring and navigation while maintaining a compact umbrella stroller footprint!
- Effortless compact stand fold with one of the smallest and most compact umbrella stroller folds,
- A lie-flat newborn solution
- compatible with alpha infant car seat
- four EVA puncture-proof wheels and all-wheel suspension
- 5-point safety harness
- 5kg / 11lbs parcel tray
- removable grab bar
- Folds down compactly at only 54 x 44 x 19cm / 21 x 17 x 7"
- weighs only 5kg

Can be configured in various ways, with clips to attach a capsule and a bassinet (which is available to hire with this buggy, complete with rain cover). Also available are the double rain & sun covers.

Newborn to age 4 (15kg).

# All Terrain Buggies

## Mountain Buggy Urban Jungle

Engineered for the urban active, the original all-terrain buggy the Urban Jungle is a versatile all-rounder that is perfect for adventures in the city or off the beaten track – the ideal, comfortable sized buggy for parents who desire flexibility.

Elegant in size, big on adventure, the Swift navigates the city with ease, yet can tackle off road adventures with its 10" air-filled tyres. Its compact stand fold makes swift the ultimate buggy for parents who want to get out of the city without taking up too much boot space.

### Features:

- Outstanding kerb pop
- Full recline to upright seat
- Suspension for an improved feel
- Long seat back
- Multi adjust handle
- 5-point harness
- Follow the sun canopy with flick out mesh sun visor tested to ensure a UPF 50+ rating
- Bottle holder
- Sun & rain covers.

Age range: NB to 25kgs / 55lbs

## Safety 1st Wanderer

A 3 wheeled stroller that is flexible and functional in design.

### Features:

- Has the ability to reverse the seat from front facing to parent facing
- 3-position lay back including full recline position

# Feed

# Highchairs

## Brica Fold 'n Go Booster Highchair

The Brica Fold 'n Go Travel Booster has a unique design that is portable, strong and stable. This super compact and lightweight booster seat unfolds in seconds and the sturdy construction and a built in safety harness give your child a safe, comfortable place to sit at any table.

The Brica Fold 'n Go Travel Booster Features:

- Lightweight, compact design
- Weighs less than 1 kg and folded flat is less than 2.2cm thick
- Unique design is portable, strong and stable
- Folds and unfolds in seconds
- Adjustable straps quickly secure travel booster to chair
- 3-point harness adjusts to help keep child safe and secure
- Stain-resistant fabric is easy to wipe clean

For children up to 18kgs.

## Phil & Ted Lobster Clip on Highchair

Features:

- The Lobster is an award winning travel high chair.
- It can clip on to almost any table or benchtop.
- The Lobster fabric is durable wipe clean, and slides right off the high chair frame for hand washing.
- A dishwasher-safe food tray
- 4-point safety harness with padded shoulder straps
- Super strong 'lobster claws' with rubber grips secure to the table using a 'twist on-and-off' clamp mechanism - easy for adults, not so easy for kids.

Pick lobster up by the frame, and it literally falls into position, ready to attach to your table. When you're ready to pack down again, just flip the clamps inward and lobster will fold neatly back onto itself, ready to slide into its own carry bag.

Suitable from 6 months to 3 years / 17 kgs

## Phil & Ted's Poppy

Features:

- Stylish, safe & easy to clean  
Light weight to move
- Very widely spaced legs for stability.
- Wipe clean & dishwasher safe food tray
- Soft & spongy Aerocore seat, for maximum comfort.
- Passive shoulder and/or lap harness to keep your baby safe in their seat until the food tray is attached.

Age range - highchair 6 months to 3 years / my chair 6 months to 5 years

(Please note that age reference is a guide only. Baby must be able to hold their head up on their own to use the Poppy.)

# ACCESSORIES

## Philips AVENT Microwave Steriliser

The Philips AVENT Microwave Steriliser is a great choice for fast, effective sterilising at home or away. Up to four Philips Avent bottles or products can be sterilised at once, with 99.9% of germs killed in just two minutes.

### Features:

- Proven to kill 99.9% of germs and bacteria,
- Contents remain sterile for up to 24 hours if the lid is unopened.
- The steriliser sterilises standard neck and wide neck baby bottles.
- Lightweight
- Compact
- Designed to fit practically all microwaves on the market
- Stay cool safety clips to keep the lid secure

The steriliser can be used to sterilise breast pumps, soothers, cutlery and other products as well as baby bottles.

## Philips AVENT Bottle Warner

The Philips Avent baby bottle warmer warms your milk quickly and evenly in just 3 minutes.

### Features:

- The bottle warmer will warm 150ml of milk in around 3 minutes\*.
- Circulates the milk continuously as it warms, so hot spots are also prevented.
- Safer than defrosting in a microwave and more convenient than using water, simply select the setting to defrost frozen milk or baby food to liquid.
- The bottle warmer is fully compatible with all Philips Avent bottles and containers\*. Use it to warm bottles and baby food containers conveniently.
- Simply turn the knob to switch the baby bottle warmer on and select your warming setting.
- The bottle warmer comes with a helpful warming reference table
- Milk or baby food is warmed at a slow pace, it will be kept warm at the right temperature and be ready when you need it.

\* Philips Avent breast milk bags and 60ml bottles cannot be used in this bottle warmer.

## Breast Feeding Pillow

### Features:

- Ergonomically designed to help mum and bub feed easily.
- Simple and easy to use
- Helps maintain a comfortable position
- Removable cover for washing

## Burp Cloths

Perfect for not only burping & cleaning up messes but the soft backing makes them perfect for placing under babies heaps while asleep or at play in case baby has a spill.

Useful while breast feeding, burping, play time, sleep time and more.

Also available for purchase.

## Philips AVENT Single Electronic Breast Pump

Out & About pumping solution

The unique Philips Avent out & about BHA free electric breast pump is designed with an electronic memory that puts you in control by learning and continuing your personal pumping style.

Features:

- Can be used on mains power, battery power and as a manual pump
- Electronic memory learns & continues your personal pumping rhythm
- Soft massage cushions trigger natural let-down, like baby
- Comes with insulated travel bag & cool packs
- Gentle vacuum mimics baby's sucking for steady milk flow

## Bumbo Floor Seat

Gently supports babies to sit up on their own

Features:

- Contoured for ultimate support
- Super soft comfort
- Easy to clean
- 3 point safety harness
- Original design

The Bumbo seat is intended for babies between 3 to 12 months who have adequate head control before the seat may be used.

As sitting upright the seat should not be used for prolonged periods of time - refer instruction manual

# Safety

## Baby / Stair Gate

Safety proofing is a must with toddlers in the house and even more so when travelling to a new location. The baby/stair gate is an essential convenient tool to make your holiday accommodation safe and secure.

### Features:

- Available in a variety of sizes and heights
- Easy open and close
- Convenient walk through design
- Sturdy, metal design
- Easy to set up with pressure mounts (note all pressure mounted gates need to be occasionally tightened before they become too loose)

For use between rooms, in doorways, or bottom of the stairs

## Wooden Playpen

Keep your little ones safe and secure

This simple and sturdy wooden playpen is a must have when little ones are in town.

### Features:

- 2 x models available
- Assemble via interlocking connectors or concertina
- Simple to assemble
- Made with high quality materials
- Easy to store

## Kathmandu Beach Shelter

Essential Beach Accessory providing both shelter from the sun and wind protection, the Retreat beach shelter is the perfect accessory when camping, picnic dining, or spending time at the beach.

This small free standing beach shelter also has an extendable floor that can be closed off by zipping shut (with lockable zips)

### Features:

- Wind & sun protection
- Privacy and storage
- Internal pockets
- Ventilates
- Lockable zips
- Flat tipped, foot friendly pegs
- 2-3 person capacity
- Weight: 2.7kg

## Video Baby Monitor

Constant video monitoring of your baby - even in the dark

Features:

- Video monitor with 2.4-inch colour screen
- Night vision allows you to see clearly in the dark
- Rechargeable parent unit with 250m range for flexibility
- Low battery and out-of-range alarms for extra reassurance
- Room temperature display, two way talk back
- Sound level light display to monitor with the volume off
- Remote controlled nightlight with adjustable brightness

## Bed Guard

Bed guards provide peace of mind, while maintaining accessibility for bed-times stories and bed changing without removal.

Featuring an extra-large panel and a sturdy powder coated frame, the bed-guard will fit tamed and unframed bed and beds with spring bound bases

Features:

- Breathable mesh side
- Protruding hinge prevents damage to bed frame
- Tool free assembly
- Non slip base

Dimensions 102 x 54cm

Newborn to 6 years

## Baby Bouncer

Great for little ones who love to bounce

By kicking their legs, your baby will be able to bounce the seat up and down making this great for energetic and stimulation play.

Features:

- Seat pad is wipe clean only
- Support 3-point safety harness

Suitable for babies up to 9 kg

## Deluxe Bouncer

Designed with parenthood in mind, this bouncer will cradle and bounce baby in plush fabrics with soothing melodies and soothing vibrations.

Features:

- Cushioned foot pillow
- Side supports and headrest that can be removed as baby grows
- Toy bar to keep your little one entertained
- 3-point harness and non-skid feet keep baby secure
- Music & Sound - Entertains baby with fun melodies
- Soothing vibrations - Gentle vibes to comfort baby
- Toy attachment - include toy bar to entertain and delight baby

Suitable from newborn to 9 kg

# Bath

## Baths

### Safety 1<sup>st</sup> Inflatable Bath

Designed to provide a cosy environment for a self-sitting baby, because of its inflated, soft, forgiving sides and stable fit within the adult tub.

#### Features:

- Perfect for use after your infant bath, but before the grown up bath.
- Sized for a self-sitting child to prevent from toppling over
- Can be used inside or outside the bath
- Has comfortable and secure saddle horn that keeps baby sat up
- Recessed drain plug
- Hangs on wall for easy drip dry and storage
- Soft vinyl that is gentle on toddlers skin
- Perfect for travelling

### Baby Bath

Bath your wee one simply and sustainably (this little bath uses less water than an adult bath!)

#### Features:

- Generously sized baby bath.
- Lightweight.
- Easy to fill and empty.
- Place on the workbench next to the kitchen sink for easy newborn bathing.

### Folding Change table with Bath

Ideal for changing & bathing baby without straining your back

#### Features:

- Large wipe clean changing top
- Elevated bathing position for parents comfort
- Shelf for storage
- Storage tray for all babies essentials
- Complete with bath
- Flexible drain tube
- Easy flat fold system for compact storage
- Allows infant to lie down or toddler to sit up while bathing.

Not all the bathrooms are spacious. So it can prove really useful to have a changing unit that folds up after use.

Age range: Birth -10 months or up to 9kg

# ACCESSORIES

## Step Stool

Perfect for use in many places around the home

### Features:

- Lightweight Plastic
- Perfect for potty training
- Also useful in bathroom, kitchen, bedroom & living room
- Sturdy, comfortable and safe stool for children of all ages
- Anti-slip tip will prevent child from slipping and falling

Max load 31 kg/ 70 lbs

## Bag of Bath Toys

Keep them entertained!

A selection of bath toys for your little one to keep busy with.

“Our first visit from our grandchild went so smoothly, thanks to the equipment and advice from Just Bring Baby. We’d recommend them to other grandparents”

Fred & Hilda -  
Paraparaumu

# Change

## Wooden Change Table

Features:

- Comfortable height for changing baby
- Practical storage space within reach
- Supplied with padded change mat and cover

NOTE: Requires installation by Just Bring Baby

## Folding Change table with Bath

Ideal for changing & bathing baby without straining your back

Features:

- Large wipe clean changing top
- Elevated bathing position for parents comfort
- Shelf for storage
- Storage tray for all babies essentials
- Complete with bath
- Flexible drain tube
- Easy flat fold system for compact storage
- Allows infant to lie down or toddler to sit up while bathing.

Not all the bathrooms are spacious. So it can prove really useful to have a changing unit that folds up after use.

Age range: Birth -10 months or up to 9kg

## Change Mat

Wipe-clean changing mat featuring supportive foam padding with a phthalate-free PVC cover.

Size: L75 x W45cm

# Travel

## Phil & Ted Traveller Cot

Built for optimal lightness & strength, the Traveller is a breeze to assemble and is super adaptable for indoors & outdoors, with its unique zipped side which you can open as a fun playpen or close up for sleep.

### Features:

- The Traveller is light & super compact for travel.
- Super compact for small car boots & suitcases,
- Unpacks to become a comfy & breathable travel cot or playpen. Full breathable mesh sides & global safety certification means you can rest easy. Baby can rest on the thermally insulated & self-inflating mattress,
- Mattress is covered with a soft fitted sheet which is washable. The Traveller comes with an additional mesh top accessory available for shade.

Packed weight: 2.8kgs

Packed size: 65 x 20 x 20 cm

Assembled size (total foot print): 117 x 79 x 63 cm

Mattress size: length - 98 cm, width - 57 cm

## Phil & Teds Cocoon Baby Carrycot

Ultra-lightweight soft shelled carry cot keeps your baby snug and warm in the buggy.

### Features:

- Carry handles & firm base allows you to lift baby in and out of the stroller without disturbing their rest.
  - Zip away top cover for easy access to baby.
  - Wipe clean exterior fabric.
  - Secures snugly into the lie-flat seat of your P&T stroller
  - Plenty of room.
- Suitable for: newborn to 6 months/max load  
Max load: 9kg/20 lbs

## Brica Fold 'n Go Booster Highchair

The Brica Fold 'n Go Travel Booster has a unique design that is portable, strong and stable. This super compact and lightweight booster seat unfolds in seconds and the sturdy construction and a built in safety harness give your child a safe, comfortable place to sit at any table.

### The Brica Fold 'n Go Travel Booster Features:

- Lightweight, compact design
- Weighs less than 1kg and folded flat is less than 2.2cm thick
- Unique design is portable, strong and stable
- Folds and unfolds in seconds
- Adjustable straps quickly secure travel booster to chair
- 3-point harness adjusts to help keep child safe and secure
- Stain-resistant fabric is easy to wipe clean

For children up to 18kgs.

## Phil & Ted Lobster Clip on Highchair

### Features:

- The Lobster is an award winning travel high chair.
- It can clip on to almost any table or benchtop.
- The Lobster fabric is durable wipe clean, and slides right off the high chair frame for hand washing.
- A dishwasher-safe food tray
- 4-point safety harness with padded shoulder straps
- Super strong 'lobster claws' with rubber grips secure to the table using a 'twist on-and-off' clamp mechanism - easy for adults, not so easy for kids.

Pick lobster up by the frame, and it literally falls into position, ready to attach to your table. When you're ready to pack down again, just flip the clamps inward and lobster will fold neatly back onto itself, ready to slide into its own carry bag.

Suitable from 6 months to 3 years / 17 kgs

## Mountain Buggy Nano

The Nano is the ultimate travel stroller that promises a light and convenient solution for travelling with your child.

- Lightweight at less than 6kg
- Compact measuring just 54 x 31 x 51cm when folded,
- Built-in rear wheel suspension to keep your baby comfortable on their travel adventure,
- 5 1/2" EVA wheels for a smooth ride.
- The front wheels feature swivel and lock capabilities for awesome handling
- With the press of 2 buttons, the Nano simply drops in 2 stages, leaving it the size of a compact travel satchel.
- When you arrive at your destination, flick the Nano open with just one hand to unfold and continue your journey.

The nano is equipped with an on-board car seat adaptor to accommodate most leading car seat brands. Travel easy with your newborn baby in their car seat and the Nano.

Packed weight: 5.9kgs

Packed dimensions: 54 x 31 x 51cm

Age range: NB to 20kgs / 44lbs

Handlebar height: 98cm / 38.5"

- 

## Diono Car Seat Travel Bag

Make transporting all Diono convertible car seats easier with the Diono Car Seat Travel Bag. Simply adjust the padded straps to comfortably wear as a backpack, or use a single strap to carry like a duffel.

- The reinforced internal seams, water-resistant fabric and durable hardware support the weight of the car seat.
- Easily store the car seat in the main compartment that is designed with a two-way zipper and pull tabs
- Stash loose items in the outside zipper pocket.

Note: This product does not fit the Rainier 2 AX or Rainier 2 AXT Seats

## Safety 1<sup>st</sup> Inflatable Bath

Designed to provide a cozy environment for a self-sitting baby, because of its inflated, soft, forgiving sides and stable fit within the adult tub.

### Features:

- Perfect for use after your infant bath, but before the grown up bath.
- Sized for a self-sitting child to prevent from toppling over
- Can be used inside or outside the bath
- Has comfortable and secure saddle horn that keeps baby sat up
- Recessed drain plug
- Hangs on wall for easy drip dry and storage
- Soft vinyl that is gentle on toddlers skin
- Perfect for travelling

### Premaxx Baby-Bag Sling

- Simple to use, can easily be put on & removed alone,
- Excellent for discreet breastfeeding, can assist in settling baby
- Pockets for baby items when baby is in upright position
- Made from 100% cotton & machine washable
- Easily adjusted to suit size of baby and parent.
- No elastic sides
- Complies to European standards EN13209-2/2005

Use in two ways: From birth (2kgs) to 5 months in lying position.  
Then 5-18 months (15kgs) as a hip-seat with back support

### Core Front Pack Carrier

- 3D mesh shoulder strap
- Easy buckling system makes it easier to take carrier on and off
- Cushioned leg opening for better care of baby
- Wrap around head support for good protection of baby
- Front pocket
- Velcro side opening

For use with children between 3.6 and 9.1 Kg  
Child must face forward until they can hold head upright (about 4-5 months)

### Mountain Buggy Universal adaptor

Ready to roll from car to buggy! Securely attach your capsule to the frame of the Mountain Buggy and you're ready to go!

\* Works for pre-2013 frames.

### Black Out Blind

Ideal for when out & about & travelling. Add blackout blinds so your child has a better sleep no matter where you are.

#### Features:

- Go anywhere design
- Attaches directly to the window glass using suction cups
- Quick to put in place with 8 suction cups per blind
- Each blind covers a window area of 117 x 130 cm
- Premium blackout material
- Comes in handy travel bag

# Play

## Bikes

### 12" Neo Bike

ALSO AVAILABLE - 15" E-350 BYK Bike - Age: 4-6 years - Refer website for specs

- Re-developed to better suit kids the kids will absolute love riding their Neo bike, thanks to the new ergonomic riding position we have tailored specifically for them
- Designed using custom frame geometry with an ultra-low stand-over height, making it easy for kids to reach the ground at any time.
- Low contour handlebars and custom comfort saddles assist in forming a lower centre of gravity that improves the bike's safety, comfort and stability for a more balanced and enjoyable ride.
- New slick tread pattern found on the Neo's tyres was selected by the product designers to make these bikes roll fast and provide a much smoother ride than other kid's bikes.
- Riding their bike will be a lot easier and faster, but they will still able to easily control their own speed.

Suitable from 2.5 years +

### Wishbone 2/3 Wheel Runner Bike

The Wishbone 3-in-1 bike system has unique, three-way adjustability to offer the perfect solution for every size and developmental stage from 12 months to 5 years.

Wishbone bike starts at 12 months with three wheels, helping babies to walk and then ride.

Later when ready the Wishbone bike converts with two-wheels for a pedal-less bike - learning to balance is easy. One skill at a time.

Raise the seat and flip the frame transforming this Wishbone bike into one of the largest balance bikes on the market. Suits kids from 12 months up to 5 years.

#### Features:

- Lightweight and super-stable.
- Adjustable seat height: 28 - 46 cm
- Recommended age range - 1 to 5 years.

(Any Wishbone bike rider must be capable of walking. Even if the rider is older than 1 year of age, if the rider cannot walk then they should not use this product.)

### Mocka Rocket Balance

The Mocka Rocket balance bike is equipped with adjustable seat, delivering a bike that is designed to last and grow right alongside your child.

You won't have to worry about a smooth ride with the solid big-tread tyres which are puncture resistant and suitable for different terrains.

Suitable for children aged 18 months to 4 years  
Seat Height Range: 32 - 39 cm

### Kids Helmets

#### SAFETY IS OUR PRIORITY

Here at Just Bring Baby we are all about safety so a toddler sized helmet is supplied with each bike hired.

# How Just Bring Baby Works

*Easy as....*

## **Step 1: You select**

It's quick and easy to book! Select the products you need - we have everything from car seats to strollers, cots to sterilisers. The hard part is choosing from our huge range!

Bookings can be made via the following methods:

- Email office@justbringbaby.co.nz
- Complete the booking form online at [www.justbringbaby.co.nz](http://www.justbringbaby.co.nz)
- Phone: Nicola on 0221 880 081 or Stef on 027 475 3597

We recommend booking in advance where ever possible, especially over holiday periods.

## **Step 2: We confirm**

Our friendly team will contact you within 48 hours regarding your booking request.

Once your booking request is confirmed will send you a hire agreement and invoice so you can pay your deposit to secure your booking.

## **Step 3: We deliver or you collect**

You can collect your equipment directly from Just Bring Baby at either our Paraparaumu or Te Horo Beach locations. Alternatively, we are able to provide a delivery and collection service.

## **Step 4: You enjoy**

You enjoy a happier holiday here on the beautiful Kapiti Coast

## **Step 5: We collect or you return**

Once your trip has come to an end you return the goods to Just Bring Baby or we'll come to you and pick up the products.

It's then our job to expertly clean to ensure its treated like new.

Hire a happier holiday with  
Just Bring Baby!
